Coarse Desire

Rowena strode into the room and struck a dramatic pose. She rolled her eyes at the lack of response. "Is it too much tae ask for some attention? Ah did just come back from the dead!" she cried, stamping her foot.

"Who hasn't?" snorted Crowley, slumping further down on his throne.

"Och, pining for yer wee _friend_, are ye?" she taunted.

"Don't be so bloody ridiculous," Crowley bellowed. He paused to compose himself. "Dean's nothing more than a drunken thug with coarse manners and no interests beyond his most base human desires."

He sighed. "I _really_ miss that stupid squirrel."
